## Company Profile

### About Us

Established in 2004, Galaxy Printing Press is a Qatar-based company that has carved a niche for itself through a perfect symbiosis between the highest parameters of printing technology, creative implementation and quality. The company has been a leader in the acquisition of the most sophisticated printing press in Qatar to be able to give its national clients' products that surpass world class benchmarks in quality and style.

Within a short span of time Galaxy Printing Press has carved a niche in the printing, advertising and services sector and emerged as a symbol of reliability, dependability and adaptability. We have always invested in the latest and best technology to bring you outstanding quality and the fastest possible service. That's real value for you...

The team of Galaxy Printing Press -They make the real difference! Printing Technology employees bring years of experience and consummate knowledge to their positions. We maintain the finest in-house creative staff. Through the innovative technology of the latest computer hardware and software, each graphic artist creates the highest quality for you and your business. Each works with one goal in mind ... your ultimate satisfaction.
