

## **DRAINAGE & GENERAL CIVIL CONTRACTOR**

### **INTRODUCTION**

#### **HISTORY**

Established in 2013, iZZET PROJECTS is a medium scale Drainage and General Civil Contractor based in Doha-Qatar. Over the years, the company has undertaken many challenging projects and accumulated skills, know-how and experiences in drainage and building works, project management, building trades and related engineering works.

Today, iZZET PROJECTS takes on the role of main contractor and sub-contractor for small to medium size projects. iZZET PROJECT's success over the years is due to its employees dedication to excellent work, customer service that exceeds the expectations, and a safety program that has led to millions of zero-accident hours. Honesty and open communication have empowered our workforce since day one, and it shows in our work.

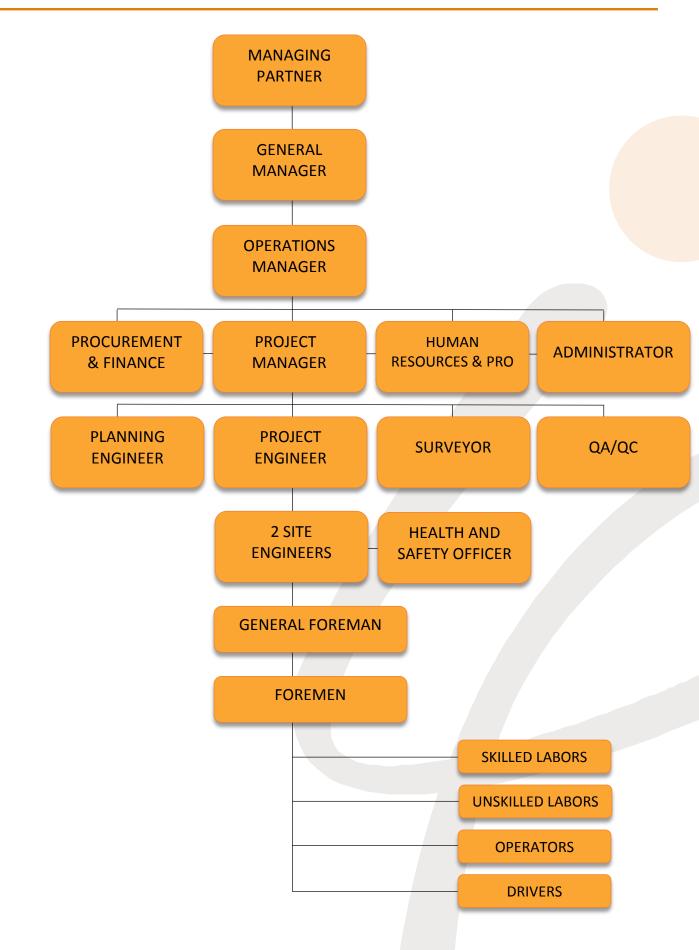

#### "Quality management is the cornerstone of iZZET PROJECT's operational culture and business approach"

#### **STRATEGY**

•	Purpose	•		a leader in the construction industry by providing ced services, relationship and profitability
•	Vision	•		a respectable contractor and provide quality services that ds the expectations of our esteemed customers.
•	Mission	•	condit	ocure projects at competitive pricing, provide safe working ions and deliver quality work within reasonable time through innovation and advanced technology.
•	Goals	•	i. ii.	An expansion in the field of civil industry and develop a strong base for key customers. To build good reputation in the field of drainage and civil works and become a key player in the industry.
